PATENT CALORIC FURNACES—
An entirely new apparatus for Warming Buildings, by which a constant and abundant supply of pure caloric air can be obtained, entirely free from the objection so common to all other furnaces now in ass, at a cost of FIFTY PER CENT

LESS IN THE CONSUMPTION OF FEEL.

It possesses all the advantages of a seam or hot-water apparatus at one-tenth the expense, combining simplicity of construction, economy, durability and efficiency of operation, and is the only apparatus capable of producing the soft and agreeable stimesphere of Summer amid the rigors of Winter, thereby rendering it entirely unnecessary for invalids to seek a warm climate in pursuit of health. Apply to the rendering it entirely unbecoming to the climate in pursuit of health. Apply to the RIPPOWAM COMPANY. No. 406 Broadway, New York.
